- 1) If we receive an e-mail from team requesting move 10+ business days from the scheduled game, we will contact the teams involved and propose a schedule,
- 2) We will repeat step 1 once more in order to find a game to switch with.
- 3) If there is a late hour of open ice we will propose to move the game there.
- 4) If there is no resolution, the team is expected to find spares for the game.
- 5) If a team simply must cancel the game, we will attempt to schedule an exhibition game with another team and award the opponent a 1-0 win.
- 6) If a team no-shows or we are unable to complete step 5 then we will charge the \$150 forfeit fee to the team who defaulted.
- 7) If teams request a reschedule inside of 10 business days, we will jump immediately to step 5.

8) Any same day requests for a reschedule will be charged \$150 forfeit fee.

6. Schedule Requests

We will circulate a form at the beginning of the season asking teams to indicate dates that they will not be available to play. Any requests that are not listed are not guaranteed to be accommodated. Teams are expected to find spares for games that are unable to be moved per the above schedule update policy.

10. I have read and understand the CAHL's Terms and Conditions. I also agree to inform all my team's players of all CAHL's Terms and Conditions.

I/We agree that our team, or any player on our team, may be ejected from the CAHL for "just cause" (displaying a continual lack of respect to opposing players and either referees or CAHL officials, intent to injure anyone, etc.) without any reimbursement of CAHL fees given to that point.
